

EU Local Councillors' Charter

By joining the network I commit to

- Participate in the network's activities (surveys, polls, webinars, seminars, networking platforms etc.) and proactively network with other members.
- Organise – every 6 months – at least 1 communication activity with citizens about the EU and the opportunities it offers to local communities.
- Organise – at least once a year – a local dialogue with citizens on EU-related topics that are of interest to them, involving the EU institutions, in particular the European Committee of the Regions (CoR).
- Promote every year one meeting of my local/regional council dedicated to EU topics as " EU session" with the support of EU Institutions and CoR members
- Make good use of the privileged access to the network's services and products, including contacting: the CoR members and the EUROPE DIRECT centre closest to me with the goal of working together.
- Provide regular feedback to the EU institutions on the communication activities I have carried out as a member of the network.
- Promote the EU Local Councillors Network to other local/regional elected representatives who might be interested in joining.
